Copyright Transfer Statement

Manuscript No.: _____

Title of the article: _____

Author(s): _____

The copyright to this article is transferred to S.M.A.I. (for U.S. government employee: to the extent transferable) effective when the article is accepted for publication. The copyright transfer covers the right to reproduce and distribute the article, including reprints, translations, photographic reproductions, microform, electronic form (offline, online) or any other reproductions of similar nature.

Authors retain the right to reproduce and distribute the article, by any and all of the preceding means, provided the source of the published article is cited. Authors are also requested, in case of online publication, to create a link to the website of *MathematicS in Action*, accompanied by the text “The original publication is available at: <http://msia.cedram.org>”.

The author warrants that this contribution is original and has not been previously published (except in form of an abstract or as part of a published lecture, review or thesis), that it is not under consideration for publication elsewhere and that he/she has full power to make this grant. The author warrants also that the article does not contain any defamatory or illegal material. The author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors. To be signed by at least one of the authors, who agrees to inform the others, and to be send back to
